Guest WiFi Wireless Networking Acceptable Use Policy:

We are offering this guest WiFi wireless Internet service (the “Service”) according to this Guest WiFi Wireless Networking Acceptable Use Policy (the “Policy”) as a free, non-public service to its visitors for the duration of their official visits. All users of this Service must agree to the terms of this Policy by clicking the checkbox and selecting the LOGIN button. We do not guarantee the Service or specific rates of speed. We also have no control over information obtained through the Internet and cannot be held responsible for its content or accuracy. Use of the service is subject to the user’s own risk. We reserve the right to remove, block, filter, or restrict by any other means any material that, in our sole discretion, may be illegal, may subject us to liability, or may violate this Policy. We may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Violations of this Policy may result in the suspension or termination of access to the Service or other resources, or other actions as detailed below. In order to ensure all guests have adequate internet access, we may monitor any Internet activity occurring as part of this service. This may include filtering software to limit access to sites on the Internet.

We are not liable for any damage, undesired resource usage, or detrimental effects that may occur to a user’s device and/or software while the user’s device is attached to the Service. The user is responsible for any actions taken from his or her device, whether intentional or unintentional, that damage or otherwise affect other devices or users of the Service. The user hereby releases the Company from liability for any loss, damage, security infringement, or injury which the user may sustain as a result of being allowed access to the Service. The user agrees to be solely responsible for any such loss, infringement, damage, or injury. The user is also responsible for having up-to-date anti-virus software on any connected device.

The Service may only be used for lawful purposes and in a manner which we believe to be consistent with the rights of other users. The Service shall not be used in a manner which would violate any law or infringe any copyright, trademark, trade secret, right of publicity, privacy right, or any other right of any person or entity. The Service shall not be used for the purpose of accessing, transmitting, or storing material which is considered obscene, libelous or defamatory. Illegal acts may subject users to prosecution by local, state, federal, or international authorities. We may bring legal action to enjoin violations of this Policy and/or to collect damages, if any, caused by violations.

We reserve the right to change the Service offered, the features of the Service offered, the terms of this Policy, or its system without notice to the user. By clicking the accept button, below, the user agrees to comply with and to be legally bound by the terms of this Policy. If this Policy or any terms of the Service are unacceptable or become unacceptable to the user, the user’s only right shall be to terminate his or her use of the Service.
